TENANT OVERVIEW-

Slim Chickens is a fast-casual restaurant chain which specializes in chicken tenders & wings. "Our Always Fresh" philosophy means that they strive to bring their guests quality chicken by serving them 100% all-natural, premium chicken.

Slim Chickens leans on a simple list of high-quality ingredients using house recipes crafted by founders Tom Gordon and Greg Smart. They marinade their chicken using fresh buttermilk and trained their team members to hand-bread every tender using a decade-old process to marinade and lock in moisture. Every meal is cooked right when ordered to ensure mouth-watering flavor in every bite.

There are countless ways to customize a meal. Shake or dip their always fresh chicken tenders and wings in more than 10 house sauces. Slim Chickens diverse menu extends beyond the classics, to their own spin on sandwiches, salads and wraps—from the southern fried Cayenne Chicken Ranch Sandwich, to sweet-savory Chicken & Waffles and decadent seasonal Jar Desserts.

The first location opened in 2003, inside a former sushi restaurant in Fayetteville, Arkansas. In 2005, the second location opened in the nearby city of Rogers. The chain's expansion accelerated in 2008 with five more openings in Arkansas and Oklahoma. In 2013, the first franchise location was opened; the next year, six regional franchise deals were made. In a partnership with Persian Gulf conglomerate Alghanim Industries, the first international Slim Chickens opened in Salmiya, Kuwait in May 2017. There has been 3 branches in the UK since May 2017 and in February 2020, its first branch in Kent, England opened in Bluewater Shopping Centre.

Slim Chickens has opened more than 225 locations in the U.S. and the U.K. and has more than 1,100 restaurants in development.

PRESS RELEASE-

Slim Chickens Signs 23-Unit Development Agreement

Slim Chickens, a leading fast casual franchise which features dine-in and drive-through in the "better chicken" segment, announced today it has signed a 23-unit agreement with Florida Slims, which consists of 6 individuals. The first location is slated to open in the Wesley Chapel area in early 2022.

With more than 600 locations in development, the brand's momentum shows no signs of slowing down.

"When we were first introduced to the Slim Chickens brand, we were immediately sold on the concept – this brand is definitely special to be part of," said Zach Ferrell, a member of Florida Slims, the investment group bringing the break-through brand to Tampa.
